

Official MRA Board Vote:

Date: 6/8/2016

Issue Description:	Fromm Gregg Hartsuff: Mitch and I have discussed his replacement and both of us recommend that it be rising senior Grey Braybrooks. Should others have applied, I believe Grey would be the most qualified and best choice of anyone on the team, and since Grey is interested it makes it a no-brainer. If you are all in agreement then Mitch will introduce Grey to Joe in the near future.	Do you support selecting Grey Braybrooks as the MRA Intern for the 2016 / 2017 Season?
