**Tony**

Tony described the differences between a Facebook Page and a Facebook Group for the alumni. The consensus was that the Group would be a better option to focus on as it allows the alumni to connect and is not just a one sided flow of information from the alumni.

Going to include in an email reminder to alumni about the tailgate.

UPDATE AFTER MEETING: Tony discovered that we can post to the group as the MRA Page, so that will be official communication from the association.
